Thanks Calvin. CalGEM's team will unzip, download, review and contact you or David with any questions that we may have if any.

I appreciate your prompt response.

Best regards,

Vincent

Hi Vincent,

Per your request,, here is the CES Mendota Class VI Permit Application in a zip file. We had shared this application with CalGEM back in April of this year. Please download the file in this folder by 8/17. Let me know if you have difficulty accessing the folder.

Sincerely,
